SPORTS LINE

- ▶ Created for all athletes who can insert customized insoles if necessary
- ▶ The simplicity of the Boa® Fit System regulates the "closure" of the shoe that adapts perfectly to the foot.
- ▶ The VIBRAM® tread with large thickness, thanks to the presence of small suction cups, helps the Grip effect of the shoe in contact with surfaces.
- ▶ No more accidentally untied laces.
- ▶ The shoe opens only with a simple pressure on the Boa® Fit System. JUST ONE CLICK!!!
